PUBLIC SERVICE ANNOUNCEMENT

Witless Bay Health and Community Services Centre to Change Location

July 7, 2020 – St. John's, NL: Eastern Health is advising the public that the Witless Bay Health and Community Services Centre (294 Southern Shore Highway) will relocate to 788 Southern Shore Highway, Bay Bulls. This transition is expected to be completed by July 29, 2020.

All services currently provided at the Witless Bay Health and Community Services Centre – including public health, community supports, and mental health and addictions services – will be offered from the new site by the same staff. The new space will enhance current operations and allow for future growth of programs and services, as required.

Clinic hours will remain the same, from 8:30 a.m. to 4:30 p.m., Monday to Friday. As per normal process, clients who have been referred to the clinic for appointments will be contacted directly. Individuals requiring more information can call the clinic at (709) 334-3941.

The relocation is anticipated to be completed with minimal interruption in service. Eastern Health thanks the public and employees for their support and cooperation as we complete the relocation.
